TIMER COVER KIT

GENERAL

Kit Number

32975-04A, 32047-99A, 32689-99A, 32698-02A, 32685-99A, 32665-99A, 32671-02A, 32662-99A, 32679-99A, and 32964-06

Models

These timer cover kits are designed for all 1999 and later Twin Cam 88 engines.

See Figure 1 for items contained in these kits.

INSTALLATION

1. See Figure 1 below. Remove and discard five screws securing original timer cover.
2. Remove and discard original timer cover.
3. Place new timer cover in position and secure with chrome Torx® screws from kit. Tighten screws to 15-20 **in-lbs** (1.7-2.3 Nm).
