WARNING

The rider's safety depends upon the correct installation of this kit. Use the appropriate service manual procedures. If the procedure is not within your capabilities or you do not have the correct tools, have a Harley-Davidson dealer perform the installation. Improper installation of this kit could result in death or serious injury. (00333a)

NOTE

This instruction sheet references Service Manual information. A Service Manual for your model motorcycle is required for this installation and is available from a Harley-Davidson Dealer.

Kit Contents

There are no Service Parts available with this kit.

INSTALLATION

1. These chrome wheel spacers are direct replacements for the original equipment wheel spacers. Installation procedures for this kit are the same as the original equipment (OE) installation procedures in the Service Manual. Refer to the appropriate Service Manual for wheel removal and installation instructions.

NOTE

The left and right side spacers are different thicknesses. The left side wheel spacer is marked with an "L".
