### LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
- The product must be properly installed, maintained and operated under normal conditions.
- Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. L.E.D.'S contained in components of Kuryakyn products will be warranted for defects in materials and workmanship for 3 years from the date of purchase where as all other components shall be warranted for one(1) year. This includes, but is not limited to; control modules, wiring, chrome & other components.

• Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

**NOTICE**

Determine the mounting location and orientation of the Flag Pole Clamp before fully tightening the fasteners. The Flag Pole Clamp may leave marks when tightened down.

**NOTICE**

Ensure that BLUE thread locker is applied to all threaded fasteners before installation.

**STEP 3** Remove the #8-32 x 3/4" socket head cap screws from the clamp and separate the halves. PIC 1

**STEP 4** Place both halves of the clamp around the desire location making sure the larger hole in the clamp faces up. PIC 2 Place a drop of Blue thread locker on each of the #8 socket head cap screws and assemble the clamp base.

**STEP 5** Place a drop of BLUE thread locker on the threads of the Flag Pole and thread it into the clamp. Wrap a thin piece of masking tape over the flats in the Flag Pole to help prevent scratching it. PIC 3 and PIC 4 Using an open end wrench, gently snug the Pole in the clamp. **DO NOT over tighten.**

**STEP 6** Choose which flag you wish to display and install it by sliding the flag onto the pole.

**STEP 7** Place a drop of BLUE thread locker on the top threads of the Flag Pole and thread the Flag Pole Cap onto the Flag Pole. Wrap a thin piece of masking tape over the flats on the Flag Pole Cap to help prevent scratching it. PIC 3 and PIC 5 Using an open end wrench, gently snug the Flag pole Cap to the flag Pole. **DO NOT over tighten, the Cap is plastic.**

**NOTICE**

It is the installer's responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Küryakyn will not provide warranty coverage on products or components lost due to improper installation or lack of maintenance. Periodic inspection and maintenance are required on all fasteners.
