## BRACKET MOUNTING KITS

### GENERAL

#### Kit Number

61740-90T, 61741-93T, 61742-93T, 61780-91T, 61781-91T, 61782-91T, 61783-92T, 61784-92T, 61785-92T, and 61840-94T

#### Kit Contents

There are no Service Parts available with this kit.

#### Models

This kit fits the following models:

Table 1. Models

Kits	Models
61740-90T	This bracket kit is designed to mount part number 61776-61T "Star" Gas Tank Medallions to Harley-Davidson Fat-Bob® style gas tanks.
61741-93T	This bracket kit is designed to mount part number 61771-66TB Gas Tank Name Plate to Harley-Davidson Fat-Bob® style gas tanks. It may be necessary to slightly bend tank trim and mounting bracket to contour of tank surface.
61742-93T	This bracket kit is designed to mount part number 61775-59T Gas Tank Name Plate to Harley-Davidson Fat-Bob® style gas tanks. It may be necessary to slightly bend tank trim and mounting bracket to contour of tank surface.
61780-91T	This bracket kit is designed to mount part number 61773-57T or 61773-58T Gas Tank Medallions to various flat surfaces.
61781-91T	This bracket kit is designed to mount part number 61773-57T or 61773-58T Gas Tank Medallions on curved surfaces, such as Fat Bob® style gas tanks.
61782-91T	This bracket kit is designed to mount part number 61777-63T Gas Tank Medallions to Harley-Davidson Fat-Bob® style gas tanks. It may be necessary to slightly bend tank trim and mounting bracket to contour of tank surface.
61783-92T	This bracket kit is designed to mount part number 61769-47T Gas Tank Medallions to Harley-Davidson Fat-Bob® style gas tanks.
61784-92T	This bracket kit is designed to mount part number 61774-51T Gas Tank Name Plate to Harley-Davidson Fat-Bob® style gas tanks. It may be necessary to slightly bend tank trim and mounting bracket to contour of tank surface.
61785-92T	This bracket kit is designed to mount part number 61769-40T Gas Tank Name Plate to Harley-Davidson Fat-Bob® style gas tanks. It may be necessary to slightly bend tank trim and mounting bracket to contour of tank surface.
61840-94T	This bracket kit is designed to mount part number 61814-55T or 61841-94T Gas Tank Name Plate to Harley-Davidson Fat-Bob® style gas tanks.

### INSTALLATION

1. Thoroughly clean tank of all dirt, grease, wax, etc., in the area medallions are to be mounted.
2. Attach medallions to mounting brackets using screws provided.
3. Fit medallion and bracket on intended spot, paying close attention to contour of the spot for curved surface application.

4. Remove adhesive backing from mounting bracket and press firmly to intended area within outline from above.
5. Remove medallion and again press firmly on mounting bracket to assure full adhesive to the surface.
6. Reinstall medallions. Use caution when tightening screws to avoid cracking the medallions.
