LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
The product must be properly installed, maintained and operated under normal conditions.
Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Kuryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

ABOUT OUR CATALOG

You'll find all our innovations for H-D, GL and Metric Cruisers in our annual catalogs. Order online today-select the "CATALOGS" icon. Each Kuryakyn® product comes with a Proof-of-Purchase good for a complimentary catalog. Details in packaging.

Be sure to ask your local dealer about other Kuryakyn® products, the motorcycle parts and accessories designed for riders by riders.

PROCEDURE

STEP 1 Read and understand all steps in the instructions before starting the installation. Park the motorcycle on a hard, level surface and turn off the ignition.

PIC 1

STEP 2 Loosely connect the mounting brackets to the bottom of the luggage rack.

STEP 3 Remove the four screws that secure the sissy bar to the side plates.

STEP 4 Install the provided 1/4-20 x 3/4 Button Head Cap Screw to secure the luggage rack mounting brackets to the sissy bar side plates.

STEP 5 Once the mounting brackets are secured to the sissy bar side plates, you can align the luggage rack and tighten up all the hardware.

PIC 2

ATTENTION! Side plates have two different ways to mount to the luggage rack. If your sissy bar is narrow, you will need to mount the side plates with the rolled edge to the outside. If your sissy bar is wide, you will need to mount the rolled edge to the inside of the luggage rack. (PIC 1 for wide application.)

Ride On!
