1 Installation Instructions

Please read and understand entire instructions before starting installation.

THANK YOU FOR CHOOSING KÜRYAKYN!

ATTENTION! A factory service manual may be helpful in performing this installation. Do not attempt to perform this installation if you are not confident in your ability to complete all the steps in the procedure; consult a trained technician.

TOOLS SUGGESTED Soft dry cloth.

CAUTION! BULB CAN GET VERY HOT! LET THE BULB COOL OFF BEFORE HANDLING. USE A SOFT DRY CLOTH TO HANDLE.

PROCEDURE

- STEP 1 Park motorcycle on a hard, level surface; turn off ignition and allow engine to cool.
STEP 2 Remove the lenses from motorcycle per manufacturer's instruction.
STEP 3 Push the 1157 type bulb into the socket and turn counter-clockwise to remove; lift bulb out of the socket.
STEP 4 Using a soft dry cloth to protect the bulb and holding the flange, insert the Super Bright Pulsing Bulb into the socket.
STEP 5 Push the bulb straight into the socket and turn clockwise to secure. Do not twist the glass bulb, just the flange. 1157 style bulbs and the Super Bright Pulsing Bulb have indexing pins on their base. They can only be installed one way.
STEP 6 Wipe any fingerprints off the bulb before operation.
STEP 7 Repeat STEP 2 through STEP 6 for other side.

BULB REPLACEMENT

- STEP 1 To replace the 25W Halogen element, pull the bi-pin bulb straight out of the bulb base. Do not twist, bend or wiggle the element. Be patient, some force is required to release the element pins from the base.
STEP 2 Push the new element straight into the base; be careful to not bend the two pins.
STEP 3 Wipe any fingerprints off the bulb before operation.

Ride On!

LIMITED WARRANTY Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
- The product must be properly installed, maintained and operated under normal conditions.
- Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Kuryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
- Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.
